

IT'S NO SECRET...

UNITED WAY STRENGTHENS OUR COMMUNITY!

United Way's Community Wide Care supports 50+ programs, initiatives and grants to help local people live stronger lives.

Each year, more than 100,000 Berks Countians receive help thanks to United Way funded programs, ranging from child care to youth development, along with services for seniors and more. And, initiatives like Ready.Set.READ! help kids become better readers.

Good things happen when we LIVE UNITED.
